RECOMMENDATION -5.
PUBLIC WORKS
MEETING

Moved by Councillor Arnold and seconded by Councillor Perry that the following recommendations of the Public Works Committee Meeting be approved as presented:

1) Based on a site visit by the Public Works Committee, Town Manager and PW Superintendant it was decided that no immediate action is required as there is sufficient road shoulder in that area. Public Works will however be sure to include the cleaning/clearing of the ditch in any future operations in that area.

2) Rescind the previous motion permitting Brad Comeau to hook on to the existing water service line and instead permit him to hook on to the 1” water line being installed by Cecily Parsons and Alex Gill. The maintenance and repair of the service line from the curbstop in will be the entire responsibility of the aforementioned property owners – not the Town. No other properties will be permitted to tie into any of the existing service lines servicing properties on “Brookings Lane”. (Carried) **6 for**
